

SPL Bible Reading Plan: Highlights

Perhaps you'd like to become more familiar with the Bible, but reading every single page – especially the genealogies – seems daunting!

What follows is a Bible reading plan that includes at least one reading from all 66 books of the Bible, from Genesis to Revelation. Many of the most famous Biblical stories and passages are included in this reading plan.

During our "2020 Vision" sermon series, from now until Easter 2020, plan to read a few chapters of God's word each week and see how each book points to Christ!
