

SPL YOUTH LEADERSHIP CAMP 2019

Application for Exemption from Leadership Camp

Leadership Camp is now mandatory for all students Grades 7-12. This replaces the Sunday afternoon training for youth, that was held in previous years. Leadership Camp will encompass a broad array of leadership training initiatives, games, and team building activities.

However, we understand that some of you have summer employment. If you participated in Leadership Camp last year, and have a scheduling conflict this year, please complete the following information. Return completed forms to Pastor Konnie Vissers (k.vissers@saintpauls.ca).

Please tell us why you cannot attend all/part of Leadership Camp 2019

Due to a high volume of volunteers, we want to discern whether volunteering at SPL Summer Camp will be a good fit for you, and place volunteers in areas of giftedness. We might not be able to accommodate preferences, but will fill roles based on humility, teachability, and gifting.

SERVE Leader Description: SERVE Leadership is a NEW program for students who are interested in intentional service opportunities in the community and at the church during the week of July 8-12. For those who are interested in hands-on volunteering, this will be a good fit. This team will spend three days off-site in Uxbridge working on projects with local service organizations (senior care homes, soup kitchens, etc) and two days on-site assisting in either the outdoor education or theatre components of summer camp.

Summer Camp Leader Description: Summer Camp Leaders will either be assigned as a counsellor or a program leader. Counsellors will lead the same group of kids all week long at summer camp. Program leaders will be assisting in one of the stations (outdoor education, sports, music, snack, or crafts). A few Summer Camp Leaders may be helping with the nursery.
