

GENRE: SERMON, LETTER

JAMES

Wisdom for the Christian life

Written by Jesus' brother, this book is filled with short wisdom sayings that challenge believers to live the truth of the gospel. James wrote about topics as relevant today as they were in the early church: words, anger, favouritism, love, money, and hardship.

Christians are to be people who take seriously the command to love God and love others. When we listen and obey God, our actions and our words match and our lives are made whole.
